They are in pdf at the moment, and are initially organized alphabetically. I have not checked the size, but I will probably forward to both of you on CD.

Yes, I am sorry for the delayed response. I would like to get the documents in electronic format, but I've been trying to get instructions from our technical folks as to how the documents need to be organized/formatted to load them into a document management database. So far, I have not been able to get those instructions. Let me make another run at getting them.

Was not certain that my e-mail below was received by either of you, since I had received no reply. Please advise in what format you want the settlement agreements discussed below.

Thanks.

Subject: Settlement Agreements

Nicole and Joe –

During our last conference call, you requested that the VLSC provide settlement agreements to you so that you could review the indemnifications contained therein. I understood this request to be part of your due diligence in deciding to allow settle PRPs to executed the CD as cash-out parties. I now have authorization to forward those agreements to you. Would you like them in hard copies or electronic copies? I may not actually get them out of here today or tomorrow, but it should be not later than early next week

Also, do you have any questions/feedback on the orphan share information that I forwarded?

Thanks!

Steve
